### Introduction to LEGO Robotics with Équipe Francobotique

Date and Time: Tuesday, April 1 6:30 pm - 8:00 pm

Address: 13200 Yonge Street, Richmond Hill

Like to play with LEGO? Want to learn how to build a LEGO robot to solve missions?

Our provincial, national and international champion FIRST LEGO LEAGUE robotics team is offering 10 amazing LEGO robotics workshops to students in JK to Grade 6 in March and April. Every workshop is different, so students can sign up for one, many, or all workshops.

There are 4 workshops offered to students in JK to Grade 2 using the WeDo2.0 robots, and 6 workshops offered to students in Grades 3 to 6 using the Spike Prime robots. All 10 workshops will be hosted at Académie de la Moraine in Oak Ridges (13200 Yonge Street, Richmond Hill). Limit of 25 participants per workshop, on a first come first serve basis. As we are a French-speaking team, the workshops will be offered in BOTH French and English (bilingual sessions). This is the third year we are running these workshops, and they have been a big hit in the community in past years.

NewmarketToday covered our team back in 2023 when we started offering these workshops: <https://www.newmarkettoday.ca/local-news/aurora-all-girls-robotics-team-competing-on-international-stage-6495957> Our team went on to become international champions that year! <https://www.newmarkettoday.ca/local-news/aurora-all-girls-robotics-team-victorious-at-international-contest-7045384>

This is our third consecutive year representing Canada at an international robotics competition. We are an inclusive not-for-profit community team, so our ability to represent Canada on the world stage heavily depends on the support of our community. These workshops are a great way for other students in York Region to find out about the FIRST LEGO LEAGUE program and learn about robotics. They are always a ton of fun! These workshops are also a way for our team to give back to our community, inspire other students, and fundraise for our participation in the WAFFLE International FLL Robotics Championships in Worcester, Massachusetts in June.

Registration is available on our website at: <https://sites.google.com/view/equipefrancobotique/workshops>

Got questions? Feel free to email us at [Equipe.Francobotique@gmail.com](mailto:Equipe.Francobotique@gmail.com). Hope to see you soon!

### Stronach Aurora Recreation Complex's Gym Grand Opening

Date and Time: Saturday, April 5 10:00 am - 5:00 pm

Address: 1400 Wellington St E, Aurora, ON L4G 7B6

Celebrate a momentous occasion in Aurora as we officially open the new Desjardins Gymnasium at the Stronach Aurora Recreation Complex! We're thrilled to mark this milestone and want you to be part of the excitement!

Join us on Saturday, April 5th, from 10 a.m. to 5 p.m. at the Stronach Aurora Recreation Complex for a day filled with free, family-friendly activities.

The celebration will kick off with a Ribbon Cutting and Cake Cutting Ceremony to officially unveil the brand-new gymnasium. Afterward, enjoy a wide range of engaging activities for all ages. Connect with your artistic side with Mosaic Tile Painting, where you can create your very own tile design. Cool off with a refreshing Leisure Swim or participate in our Drop-In Sport Activities that will keep your heart pumping and your face smiling!

Kids will love the free colouring station, while adults can explore the Community Partner Zone, featuring local organizations showcasing their services and connecting with the community.

Whether you're looking to try something new, meet your neighbors, or simply enjoy a fun-filled day with your loved ones, this event has something for everyone. Don't miss the chance to be part of this historic event in Aurora!

### **Aurora's Easterpalooza**

Date and Time: Saturday, April 19 9:30 am - 12:30 pm

Address: 90 John West Way, Aurora, ON L4G 8A2

Get ready for the most egg-citing event of the season at Aurora's Easterpalooza – a Spring-tacular celebration you won't want to miss! On Saturday, April 19, from 9:30 a.m. to 12:30 p.m., the Aurora Seniors Centre will be buzzing with fun and excitement, offering a morning of activities for the whole family to enjoy.

Whether you're hopping indoors or outside, there's a wide range of activities waiting for you! Enjoy face painting, show off your skills in the egg fishing challenge, toss your way to victory in the egg toss, enjoy a delightful story walk, and much more. But that's not all – the star of the show, the Easter Bunny, will be making a special appearance! This is your chance to meet everyone's favorite bunny and snap a photo together!

This family-friendly event promises to be a morning full of good memories with your loved ones, right in the heart of Aurora. To join in the festivities, be sure to purchase a wristband, available for \$5 per person at any Town facility (excluding the Aurora Community Centre).

Mark your calendars, gather your loved ones, and hop on over to take part in the Easter magic! For more details, visit [aurora.ca/Easter](http://aurora.ca/Easter).
